

Assessment Weighting Breakdown

CPS 845 • Fall 2026 • Lab submissions within each Evaluation Component

Evaluation Component	Percentage of Final Grade	Required Submission	Submission Requirement	Deadline <i>@2pm unless noted</i>
Midterm test	35%	Midterm test	In person, during lecture (course outline)	Wed 28-Oct
Group project	25%		Groups of up to 4. All members receive the same grade. Final group submission (Mon 2-Nov): one ZIP file with all team documents (Requirements Breakdown, Product Backlog, Sprint Backlog, AI Reflections, Sprint Retrospective).	
	4%	Requirements Breakdown	Vision, Goal / Outcome, at least 2 Personas + 3 Epics (at least 1 Feature per Epic) + 3 User Stories per Epic	Fri 2-Oct
	2%	+ AI Reflection	2 questions answered as a team (min 30 words each)	
	4%	Product Backlog	All User Stories from the Requirements Breakdown, each with Acceptance Criteria, Priority + Estimate; team Definition of Done	Fri 9-Oct
	2%	+ AI Reflection	2 questions answered as a team (min 30 words each)	
	4%	Sprint Backlog	At least 1 User Story selected for the Sprint + at least 1 Task per team member (with Point Person + Estimate in hours).	Fri 23-Oct
	2%	+ AI Reflection	2 questions answered as a team (min 30 words each)	
	7%	Sprint Retrospective (part of the final group ZIP)	Sprint Summary; Working with AI: at least 1 “What went well” + 1 “What did not go well” entry, answered together as a group, min 30 words each entry; Action Plan: at least 1 action; Team Member Voices: 1 row per team member	Mon 2-Nov (course outline)
Individual project	30%		Each student chooses a topic and builds it using an AI tool of their choice (course outline).	
	10%	Final Project Submission: Sprint Retrospective (PDF report)	Sprint Summary (the User Story you built + your tasks); Working with AI (AI as your teammate): at least 1 “What went well” + 1 “What did not go well” entry, min 30 words each; Action Plan: at least 1 action	Before your presentation slot: Nov 23, 25 or 30 (course outline)

Evaluation Component	Percentage of Final Grade	Required Submission	Submission Requirement	Deadline <i>@2pm unless noted</i>
	20%	Final Project Submission: project materials	ZIP file or link (e.g., GitHub) with at least 1 completed User Story	Mon 30-Nov (course outline)
Project presentations	10%	Presentation	Present your project and your experience with AI coding tools (course outline)	Nov 23, 25, 30
Total	100%			

Late submissions (course outline): 1% of the final mark per day of delay; submissions 5 or more days late receive 0.
